IdeaBook

Inspiration is waiting!

You don't have to go far to experience the rejuvenating power of water. You can have it all — in your own backyard!

At Jackson Pond, we know how important it is for your backyard to be a refuge from the hustle and bustle of everyday life. If done right, water can transform any garden into a special place.

We've dedicated the last two decades to bringing homeowners closer to water by designing, building and maintaining ponds, waterfalls and other water features. If you're feeling stressed, let Jackson Pond add a little water to your life. You'll feel refreshed — not only by your water feature but also by the process!

In this booklet, you'll find all sorts of ideas and inspiration for your project. Get ready to dive in!

SWIMMING & PLUNGE PONDS

Take the plunge!

Get the best of both worlds. Swimming ponds give you the rustic beauty of a pond and waterfall with the fun that only a pool can bring! Your pond will be a naturally-balanced ecosystem that attracts wildlife — keeping the kids and grandkids entertained and outside all summer long! Natural wetlands filter your water, keeping it clean without the chlorine.

What's Included

At Jackson Pond, all these extras are always included with your swimming pond:

- Design & installation
- Pond & waterfall liners
- Skimmer or intake bay
- Biofalls or wetland filter
- External pump
- Water plants
- Granite rock boulders & river stone
- LED lighting system
- Ion gen water clarifier

PLUNGE PONDS

Wade in...

Plunge ponds are the younger siblings of the swimming pond — smaller, shallower and great for young children and dogs. Also called “wading ponds,” these little wet wonders are exactly what they sound like: a place to dip your toes in and lounge.

15' x 20' x 3' deep Plunge Pond
\$51,900

20' x 25' x 3' deep Plunge Pond
\$78,900

“Our family was originally considering a swimming pool. But then we discovered how much nicer a swimming pond looks. We love that it's all-natural!”
— Tim, Oakville

GETTING STARTED

Ready to add a little water to your life?

Ponds and waterfalls are a significant investment, so we've designed a process to help you get it right the first time — without the headaches that often come with construction.

1

Get inspired at our showroom.

Come and visit our pond and waterfall showroom to see what's possible. After, we'll work closely with you to design a pond or waterfall that reflects you and your lifestyle.

2

Approve your project.

Once we agree on a design, budget and timeline, our craftsmen bring it to life using the highest quality materials and equipment. Your project will be delivered on time and on budget.

3

Sit back and enjoy!

Relax and allow us to maintain every detail of your pond or waterfall. Each Jackson Pond is backed by a lifetime workmanship warranty when paired with one of our regular maintenance programs.

To get started, call **1-877-766-3833** or email **info@jacksonpond.com**. You're also encouraged to visit our retail store and showroom in person!

GUARANTEE

The Jackson Pond Promise.

We want you to love your water feature.

We believe that a water feature is a major investment and should be an integral part of your landscape for a long time.

For these reasons, we offer a workmanship warranty on all of our projects. If something isn't right, we'll fix it. And by choosing any of our full-season maintenance programs, we will extend your workmanship warranty indefinitely. Now that's peace of mind.

Our Construction Follow-Up

We realize, however, that water features are a major investment... and making sure everything is running smoothly can be overwhelming. For this reason, we schedule a follow-up visit of your project with you when we're finished. This way, we can make sure you know how everything works.

POND MAINTENANCE

Leave it to the pond experts.

Keep your pond or waterfall as it's meant to be — relaxing. Our full-season maintenance packages are tailored to give your pond or waterfall elite service throughout the spring, summer, and fall, maintaining ideal water quality that's safe for pets and wildlife.

Every pond maintenance package includes...

Spring Clean-Out

- Empty & clean feature thoroughly
- Re-install pump, filter, ionizer, etc.
- Move plants to correct location
- Add de-chlorinator to new water
- Deliver requested water treatments for the season
- Appointment reminder call & follow-up call

Maintenance Visits

- Clean pump, filter, skimmer, etc.
- Inspect & adjust water level
- Install any new plants
- Prune aquatic plants (where applicable)
- Perform visual inspection for leaks
- Appointment reminder calls & follow-up calls

Fall Shut-Down

- Prepare feature for winter
- Remove pump, filter, ionizer, etc.
- Blow water out of lines & cap (as required)
- Install any necessary winter equipment
- Clean & prepare equipment for storage
- Appointment reminder call & follow-up call

Choose your package.

Our full-season packages ensure your pond thrives; whether we work together or our technicians take care of everything.

SHOWROOM

See the water in person.

Start visualizing your design! Come and visit our indoor pond and waterfall showroom. You'll have a chance to really visualize your project before construction. We want you to understand what you'll receive when you trust us to build your pond or waterfall.

Along with the retail store are inspirational displays. Bring the kids, grab a coffee and take a stroll down the pathway. You'll see what's possible and have a chance to ask our team any questions you might have!

RETAIL STORE

Stock up & get inspired!

Not your typical retail store. Visiting the Jackson Pond retail store is all about the experience — we aren't a big-box store designed for mass selling, we're a local business with loads of knowledge to help you choose the right products!

Our approachable and friendly team is always on hand to answer any questions you might have. Everything we sell is what we use in the field on a regular basis, so you know you're getting the best.

Find everything you need for your pond...
