FEATURED POND WITH WATERFALL

THE VISION

Out with the old, in with the new!

The owner of this beautiful century home in the village of Puslinch had an old pond that was tired and leaking. She approached Jackson Pond to help her design something much larger... that wouldn't leak.

A lifelong veterinarian, this client embodied the term "animal person," with a dog who loves to hang out near the water and loads of fish who needed a place to call home.

THE RESULTS

A refuge from a busy lifestyle.

A hard worker, our client was looking for an escape from the stresses of her long days. Her backyard is now a refuge where she can entertain friends and family on the back patio, or just listen to the water as it flows — drink in hand!

HALIBURTON

10' X 15' POND WITH WATERFALL

Feed fish right out of your hand in this 10' x 15' x 2' deep pond, featuring a 2' high waterfall and 5' stream.

\$34,995

A detailed garden pond with a waterfall, rocks, and various plants. The pond is filled with water and has several large, smooth rocks scattered throughout. A small waterfall flows over a series of rocks on the left side of the pond. The water is clear, and several large, colorful koi fish are visible swimming in the pond. The background is filled with lush greenery, including tall evergreen trees and various flowering plants. The overall scene is a beautiful and serene garden display.

ALGONQUIN

14' X 20' POND WITH WATERFALL

Amaze your guests with this 14' x 20' x 2' deep pond with a 3' high waterfall and 5' stream.

\$62,995

FEATURED PLUNGE POND

THE VISION

A pond, a pool... or both?

This family wanted a sanctuary in their backyard — a place to unwind, but also to play the days away. For these outdoorsy folks, a conventional swimming pool wasn't really what they were looking for. But they had always wanted a pond. Enter... the plunge pond!

THE RESULTS

Cooling off has never been so much fun.

Today, the plunge pond is the focal point of the backyard, with a firepit built right next to it. Our clients' two kids can be found swimming and exploring the ecosystem with their dog on hot summer days.

PLUNGE PONDS

FEATURED SWIMMING POND

THE VISION

A place for nature, family, and friends.

This Burlington homeowner asked our team to bring the feeling of the Muskoka region to their backyard garden, complete with a natural water feature that they could swim in with family and friends.

THE RESULTS

A year-round gathering space

Thoughtfully nestled in the backyard, the swimming pond and waterfall act as the yard's showpiece, with an open entertaining area inviting the client's family and friends to come together throughout the year.

FEATURED CUSTOM

POND & WATERFALL

THE LOCATION

A prestigious hotel inspired by the past.

Set in the heritage district of Niagara-on-the-Lake, Pillar and Post is a vintage hotel unlike any other. The old-world charm of the town is reflected in the decor and architecture of the hotel.

THE VISION

Merging Monet's Giverny gardens with Niagara.

The gardens take direct inspiration from French impressionist painter Claude Monet's gardens outside of Paris in Giverny, France. A large waterfall, mimicking the roar of the nearby Niagara Falls, sits next to a boardwalk for visitors and guests to admire.

THE RESULTS

Adding new meaning to "destination wedding."

The Gardens at Pillar and Post solidify the hotel, spa and grounds as a top-tier wedding destination in Southern Ontario. Thousands of visitors flock to enjoy the gardens year-round.

CUSTOM PONDS AND WATERFALLS

Personalize your pond and waterfall. For visionary and elaborate designs, our team is here to listen, inspire, design, and construct your *dream oasis*.

75' x 150' x 3' deep pond with two wetland filters and 20' wide waterfall.

50' x 80' x 6' deep pond with wetland filter and 15' wide waterfall.

READY TO ADD A *LITTLE WATER* TO YOUR LIFE?

Ponds and waterfalls are an investment in your physical and mental wellness. We've designed a process to get it right the first time.

1

GET INSPIRED AT OUR SHOWROOM

Visit our pond and waterfall showroom to *discover the possibilities*. We'll work together to design a water feature that reflects you and your lifestyle.

2

APPROVE YOUR PROJECT

Once we agree on a design, budget and timeline, our craftsmen bring it to life using the *highest quality* materials and equipment.

We deliver projects on time and on budget.

3

SIT BACK AND ENJOY!

Relax and allow us to maintain every detail of your pond or waterfall. Each Jackson Pond is backed by a *lifetime workmanship warranty* when paired with one of our regular maintenance programs.

THE JACKSON POND *PROMISE*

WE STAND BEHIND YOUR WATER FEATURE.

Your water feature is *integral* to your landscape, and designed to withstand the years ahead.

Therefore, we offer a 12-month workmanship warranty on all water features. If something isn't right, we'll correct it.

Additionally, by selecting a full-season maintenance package, we extend your warranty indefinitely for added peace of mind.

WE FOLLOW UP WITH YOU.

Understanding the intricacies of your water feature can be overwhelming. That's why we arrange a **free follow-up visit** after construction is finished, to ensure your confidence in the operation of your water feature.

LEAVE IT TO THE POND EXPERTS

Keep your pond as it's meant to be — relaxing.

Our full-season maintenance packages are tailored to give your pond elite service throughout the spring, summer, and fall, maintaining ideal water quality that's safe for pets and wildlife.

OUR APPROACH

We understand that life is busy, and relaxation time is at a premium. Imagine coming home, pouring a glass of wine, and sitting next to a loved one, enjoying the sights and sounds of your water feature.

OUR TEAMMATES

Unlike other companies who use temporary labourers, our full-time year-round crew members have **extensive experience** and **knowledge in water features**. We believe your feature deserves reliable individuals who pride themselves in providing exceptional service with a personal touch.

MAINTENANCE PACKAGES

SILVER

Let's work together to ensure your pond is the best it can be.

Includes spring clean-out, maintenance visit
once every month and fall shut-down.

GOLD

We will do most of the work, you help a little in between.

Includes spring clean-out, maintenance visit
twice every month and fall shut-down.

PLATINUM

*Just enjoy your pond!
We will take care of every detail.*

Includes spring clean-out, maintenance visit
once every week and fall shut-down.

OUR RELATIONSHIP

We want to build a long-term relationship, which cannot be achieved in just a single visit. Your Maintenance Technician will get to know you and the intricacies of your pond.

Our in-office Maintenance Coordinator will communicate with you regularly ensuring all your needs are met and that we are exceeding your expectations.

SEE THE WATER

IN PERSON

START VISUALIZING YOUR DESIGN!
